Do you know of a Democratic woman you think would make a great elected official who needs the training to run a successful campaign? Send her name, location (city/county) and contact information (email/phone) to [contact@emergewi.org](mailto:contact@emergewi.org).

***Congratulations to ALL of our Alumnae who were spring candidates! Thank you for inspiring more Democratic women to run for office, especially the current and future Emerge program members who follow in your footsteps.***

Sincerely,  
Wendy Strout, Executive Director  
Emerge Wisconsin
